Dedication

With the realization that we are still very young in heart and experience; with the knowledge that with their counsel there is yet peace and love, and a deeper, calmer faith for us to seek; we gratefully dedicate this, the 1958 "Acorn", to our Mothers and Fathers.

A dedication is always earned, and we feel our parents have earned theirs by the examples they have set in our homes, our churches, and our communities.

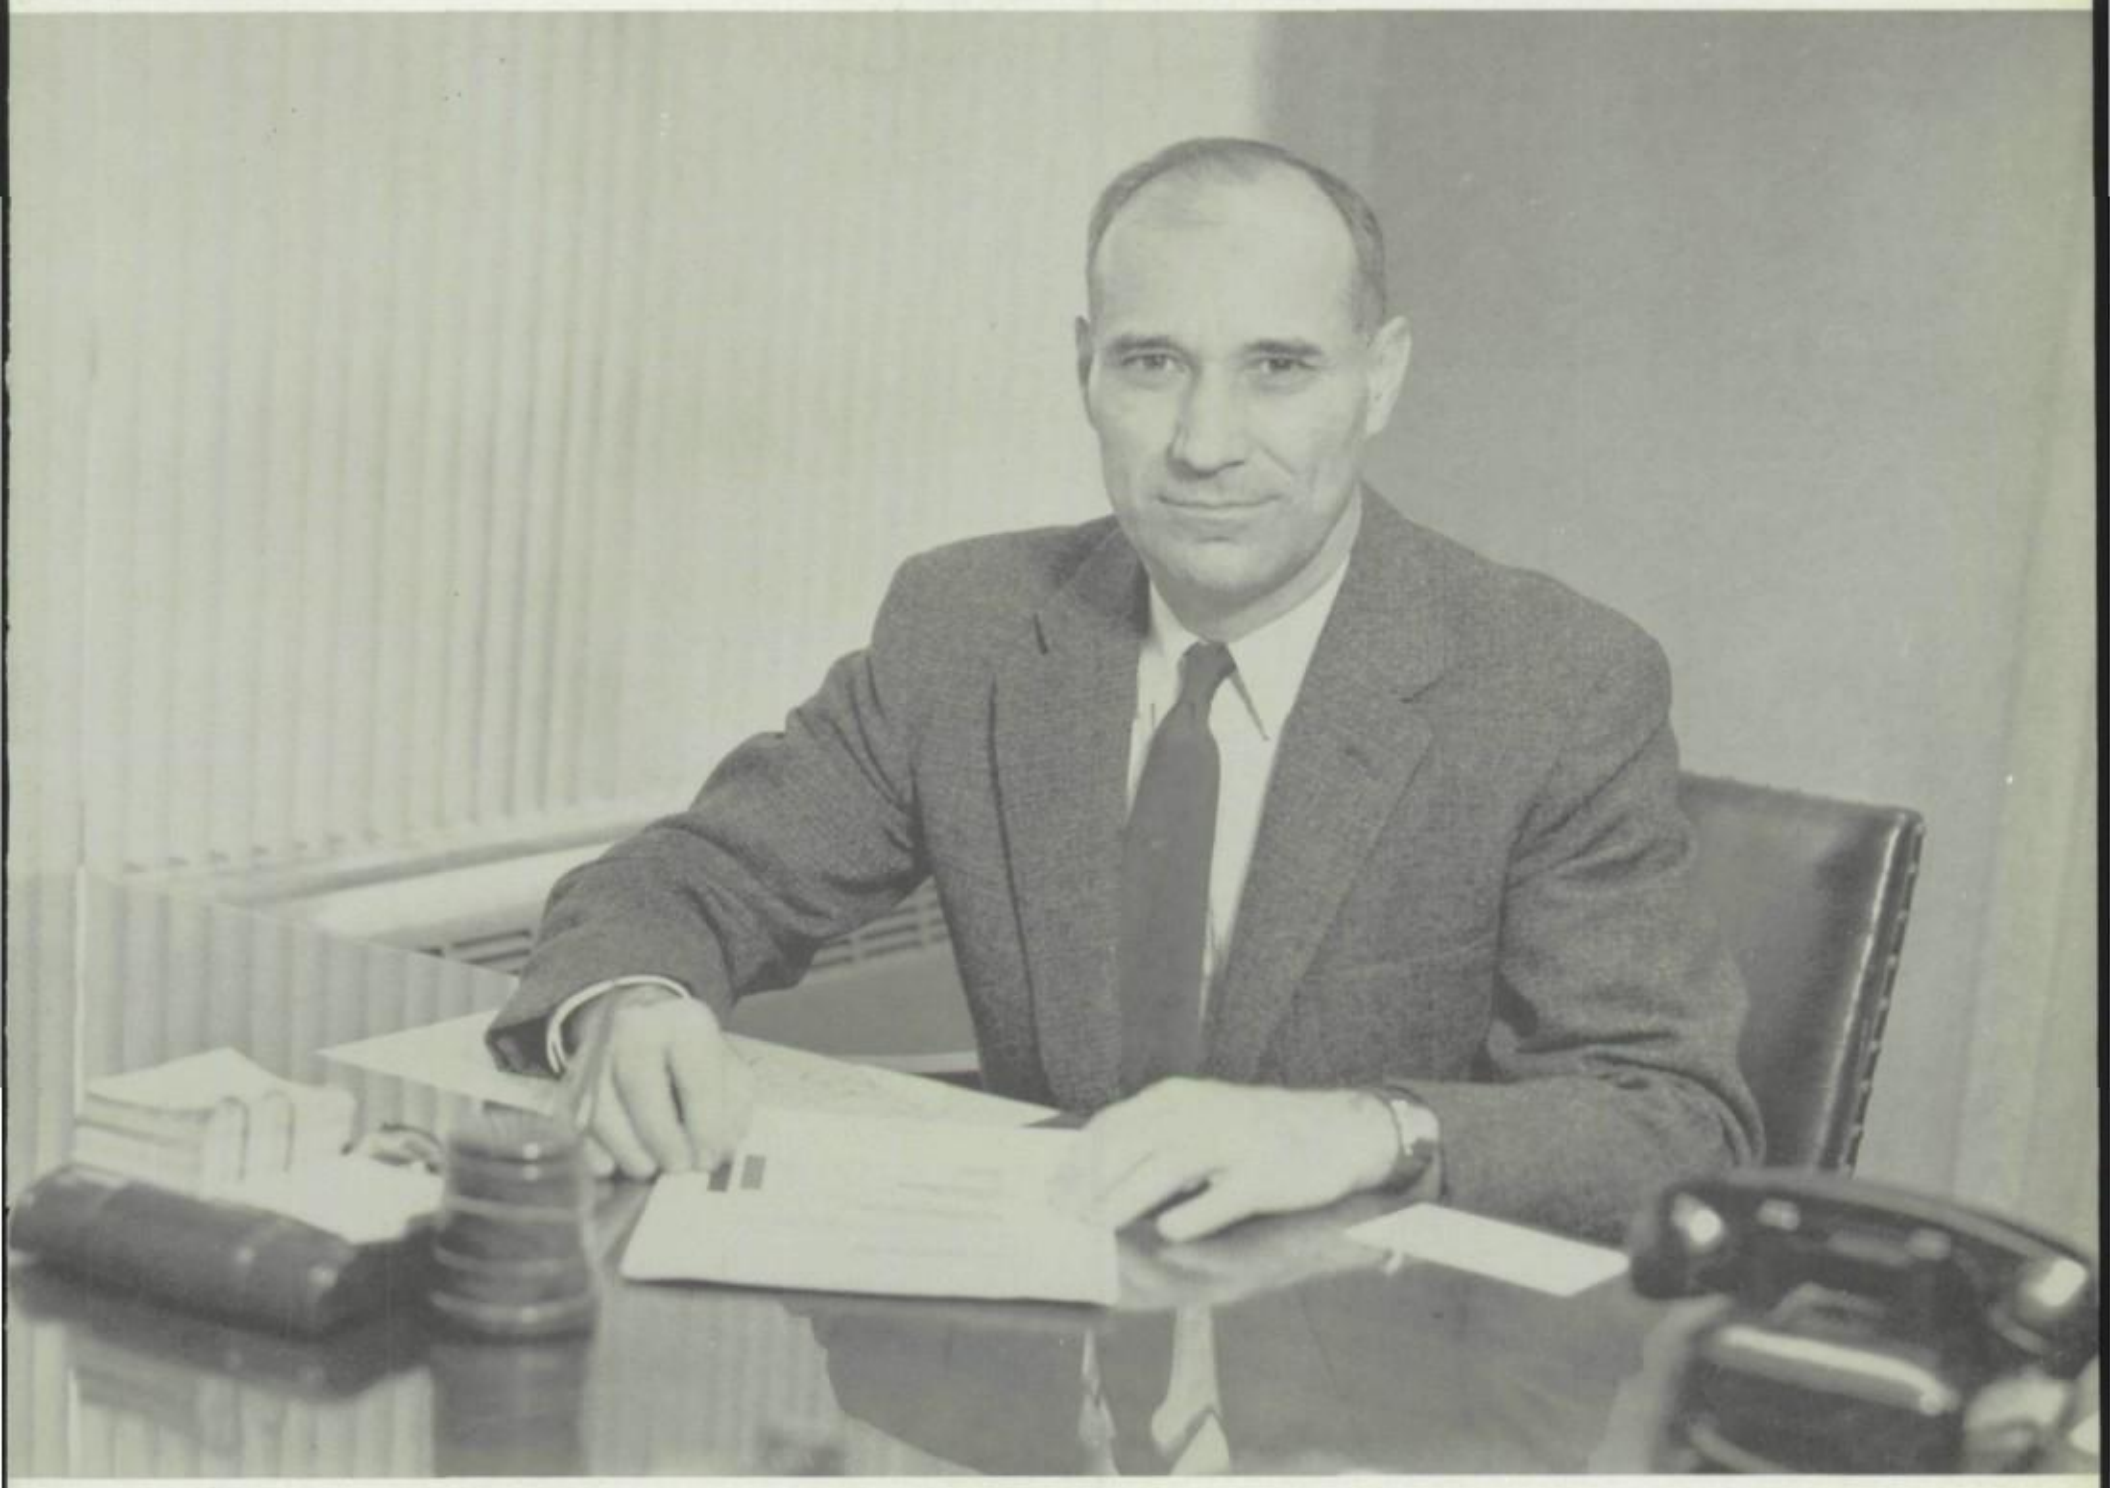
DEDICATION

During the past two years, the school board have had an enormous load on their shoulders, - the building of the new Oakwood Township High School educational facilities.

Only through tolerance and devotion to their posts have they accomplished this task. This year, OTHS was again operating on a full schedule.

We must all realize that a board member's job is wholly unrecognized. There are no awards. There is no glory. The satisfaction of doing their jobs to the best of their ability is all the pay they ask.

Our Principal, Mr. Koontz



To the People of the Community

Our public schools exist because the people of the community believe youth must have some schooling. But some communities have more than a minimum interest in their young people. Hence they provide more than minimum facilities for training them.

We are grateful that this is such a community.

Senior Class History

In the fall of "54", the class of "58" entered with 80 members. The jump from grade school to high school was a big one, but patient and helpful class advisors did their best to put us on the right road.

The main events of the year were Initiation Day, Class Party, and a return party for the sophomores. Charlotte Fourez was elected to be our Homecoming attendant. Kay Schonians and Jim Ingram represented the class as king and queen candidates for the school carnival.

Our Sophomore year began with initiating the "new" Greenies. Bonnie Fuller was chosen to attend "Miss Victory."

Two years had passed and we entered our Junior year. We elected Shirley Vinson to be our Homecoming attendant.

Our first class play, "Mr. Co-ed" was a huge success, as were our magazine sales. The Junior - Senior Prom highlighted the year.

Judy Oakwood and Lorin Kinney represented us in the speech contest. Judy was named to the All-State Cast.

Finally, with three active years behind us, we entered our Senior year. All four years, we have been well represented in sports. Our lettermen include: Bob Denhart, Frank Estock, Bob Bolton, Bob Richter, Steve Cannon, Jerry Miller, Roger Koontz, Rodney Wonderlin, and Melvin Melton.

We were proud to see one of our candidates, Kay Schonians, crowned "Miss Victory" of 1958. Other candidates were Beverly Kent, Shirley Vinson, and Charlotte Fourez.

Kay Schonians served OTHS as cheerleader all four years. Shirley Vinson was elected to the Varsity her Senior year.

Now, all the members of the class of "58" are looking forward to the Junior - Senior Prom, and the Senior trip, which will culminate our activities here at OTHS.

Then, last but not least, is that evening in May, when the class of "58" will bid OTHS good-by, and step out into the future as alumni.

Class Poem

Pat Creason is talkative and cheerful;
that's how Charlie gets an earful.

Clifford Wynn is always handy;
especially when boys talk to Sandy.

Gretchen Flowers is full of fun;
never quits till her work is done.

Hot-rodden is a favorite of Ray;
but don't get me wrong so is Kay.

As for McDonald, Okies' his name;
picks for his girl, a sophomore, Jane.

Sharon Davis "our biggest eater";
ranks high as a class leader.

Rodney Wonderlin goes steady you know;
Marg's his girl and he's her beau.

Nancy Decker although she's short;
is on top when it comes to sports.

Paul Vinson everyone's pal;
chooses Beverly for his gal.

Jerry Miller one of our little squirts;
really gets mad when Emily flirts.

A very nice girl, never seen frowning;
is our classmate, Deloris Downing.

Lonnie Shelton likes to play a "Sax";
but also enjoys midnight snacks.

Carolyn Strange goes with Lyndal you see
Mr. & Mrs. they will be.

Little Richter is a lot of fun;
a laugh and a joke for everyone.

Donna Richardson although a clown;
will always brush away a frown.

She has a heart that never wanders;
she gave it to Bill, that's Carol Saunders.

One for a debate is Larry Saults;
is always ready to admit his faults.

Kay Schonians, "yeah team" her rate;
cheerleading her pastime, Denhart her date.

Joann Sexton whose in the band;
wears a beautiful ring on her left hand.

Cloyd Williams is in a whirl;
whenever he can tease a girl.

Class Poem

One who will always take part;
is none other than Beverly Megenhardt.

Frank Estock is on another planet;
whenever he's around Janet.

Shirley Vinson just loves to cheer;
she made the varsity squad this year.

Melvin Melton has curly hair;
he always tries to treat everyone fair.

Jim Lane is neither skinny nor fat;
spends most of his time in "St. Joe" with Pat.

Roger is a real nice guy;
and he keeps his grades way up high.

He always took sports right to heart;
'til he met Kay, that's Bob Denhart.

Pat Lough is quite a brain;
she likes Bob, he's from Champaign.

Judy Powell is well liked by many,
especially by her boyfriend Kenny.

Dancing is a favorite for Judi Lough;
And everyone will agree that is so.

She came here late; that Beulah Wells;
she often talks, but never yells.

Editor of Annual Staff, Bonnie Jo;
kept everyone else on the go.

Driving his Ford everywhere madly;
is no-one else, but Marlin Hadley.

Dick Harmeson, ambition a preacher;
with his grades he'll make a good teacher.

Jim Ingram is quiet, but gay;
and he loves working on his "Model A."

Jerry Jennings is very tall;
although he's quiet, he is liked by us all.

Lorin Kinney will soon be a groom;
with Karen beside him, he's up in the moon.

Pat Snyder, who left for a while;
has been welcomed back with a great big smile.

Kay and Marg, we're the two,
who wrote this poem for all of you.

How we act we will not name,
but others say it is the same.

The Junior Class

The Junior Class started off the year with an election of officers.

Our football concession consisted of hot chocolate, donuts, and candy. Our basketball concession was candy and pennants.

Two Junior girls, Judy Jenkins and Sandy Oakwood, were elected to the varsity cheerleading squad.

Two of our main projects for the year were completed in a big way. We received our rings in October, making us the first Junior class to receive their rings so early in the school year. Our magazine sales drive provided us with a reasonable profit.

Now our third and largest project lies just behind us. It was none other than the Junior-Senior Prom. With our eager and active class, the night was a huge success.

Barbara Neff was elected as attendant to Miss Victory.

Three girls were chosen to serve on the reserve cheerleading squad from our class this year. They were Janet Terry, Karen Maxwell, and Virlane Youmans.

Freshman Class

Some 110 freshmen entered the new O.T.H.S. this year and found there was quite a change from grade school to high school. They also found many smiling faces ready to help them adjust to their new and different lives.

The freshmen entertained the student body and faculty on initiation day by wearing their gunny sack finery, and they are looking forward to initiating next year's greenies. During the year they shared many good times at parties with the sophomores.

Norma Bloomfield was elected freshman attendant to the Homecoming Queen.

Many class members participated in athletics and in our O.T.H.S. band.

The freshmen have received much help this year from their co-advisors, Mrs. Fischer and Mr. Hughes.

Miss Victory And Her Court

Kay Schonians, a member of the Senior Class, was elected by the football team as our "Miss Victory."

A new system of voting was organized this year. The queen was chosen between four senior girl candidates. The other three classes selected an attendant from each class.

Kay's attendants were, Beverly Kent, Senior; Mary Jo Corn, Junior; Barbara Neff, Sophomore; and Norma Bloomfield, Freshman.

The former captain, Tom Perry and "Miss Victory" for 1956, Donna Douglass, participated in the ceremony at which the new queen was crowned. Kay was crowned at the Homecoming dance by Bob Denhart, a member of the football team. The other escorts were: Steve Cannon, Steve Koontz, Dick Denhart, and Jim Rohrer.

Kay has served as secretary of the Student Council and as a cheerleader besides taking part in several other activities.

Dear Readers:

This year the Acorn staff decided to continue with the lithographic type of yearbook. We have included more and larger snapshots, informal pictures, and a new theme of dedication.

Staff members worked hard to make our advertising campaign a success so that we could give you an Acorn with padded covers. We hope that when you look through your Acorn of 1958, you will recall many of the highlights of the school year.

The members of the Acorn Staff and the advisors, Mr. Boyer and Mr. Peterson, have worked long and hard to make this year's annual the best of all.

Yours truly,

The Acorn Staff

The Student Council has had a very busy year, under the capable guidance of our President, Bonnie Fuller. Some of the projects we have undertaken are: the March of Dimes, The Charity Drive, paid and free assemblies, Schorama and we are sending two delegates to the state convention held in Chicago.

Our most important and successful project was Homecoming. It could not have been a success, without the hard work put into it by all of the Student Council members.

Many of the Dramatic Club members have attended and enjoyed several plays presented by groups in the area. "Richard III" was presented by the University Players. It provided an afternoon of much enjoyment. Also, three Red Mask plays were staged all three of which were delightful comedies. With the enthusiastic help of Mrs. Shirley Sharpf and the members of the Dramatics Club, the Junior and Senior plays were successes. With ninety members the Dramatics Club is the largest in school. The Junior play, "Mr. Coed," was a delightful comedy. Our speech contest play was "Annie Get Your Gun."

Football Sketches

BOB ANDREWS

Bob saw lots of action this year even though it was his first year on the varsity squad. He didn't weigh much but he made up for it in desire to play.

STEVE CANNON

Steve was always reliable and did his best for the team. His position of center was filled to its fullest anytime that Steve was in the game.

BOB DENHART

Bob lettered last season and again this season. Bob was one of the best and hardest working players on the team. He well deserves the honors he has received and he will leave a big dent in next season's team.

DICK DENHART

Dick, although only a sophomore this year, lettered on the varsity squad. Dick was one of the best backfield men in the county, and he will be a great asset to the team next year.

LARRY DUNN

Larry, another sophomore, played varsity ball. He wasn't too large in size but he struggled with the best opponents. He is looking forward to a successful season next year.

FRANK ESTOCK

Although Frank isn't the largest boy on the team, he is one of the hardest playing and most spirited ones. Frank was looked up to and well respected by all.

JIM FOLEY

Jim played a great deal at tackle and should be an asset to the next year's team. This was his first letter at football and we hope to see him earn another.

LARRY GRIMES

Larry did a fine job of taking over when a boy in the backfield was injured. Don't get me wrong, his spirit, workmanship, loyalty, and personality are assets to any team. He will be one of the best players on next year's team.

STEVE GRITTEN

Steve did a fine job at tackle. He was hard to move on defense and very valuable in the middle of the line.

GERALD HALL

One of the biggest boys on the team, Gerald did a fine job at tackle. He will be back next year and we expect a lot from him.

ROGER KOONTZ

Even though Roger has a high scholastic rating, he was also one of the hardest working players on team. Roger was a big asset to the team.

STEVE KOONTZ

Steve turned in a fine job in the backfield this year. One of the fastest men on the squad, he made several long runs this year and we want to see more next year.

RODNEY WONDERLIN

Rodney was one of the smallest members of the varsity squad. What he lacked in weight he made up for in spirit and speed. He was trying and doing his best all the time.

JERRY MILLER

Alghough Jerry didn't make the starting eleven, he saw plenty of action as a reliable substitute. This was Jerry's first year at varsity football and he will be greatly missed next year.

ALLEN STRINGFELLOW

Allen played end this season to earn his second letter. Allen has another year left and should be a great help next year as he was this year.

DAVE PERRY

Dave was a great help to the team at guard. He was fast enough to get down field and deliver fine blocks. Keep up the good work, Dave!

LARRY MARTOGLIO

Lum did a fine job as a substitute in the line, filling in wherever he was needed. This was his first letter.

CLIFFORD OLIVER

Although plagued by injuries Clifford did a fine job in the backfield. This was his second letter. We hope he has less injuries next year.

JULIAN STONE

Julian gave a fine performance this year at guard. He should be a great benefit to the team in future years.

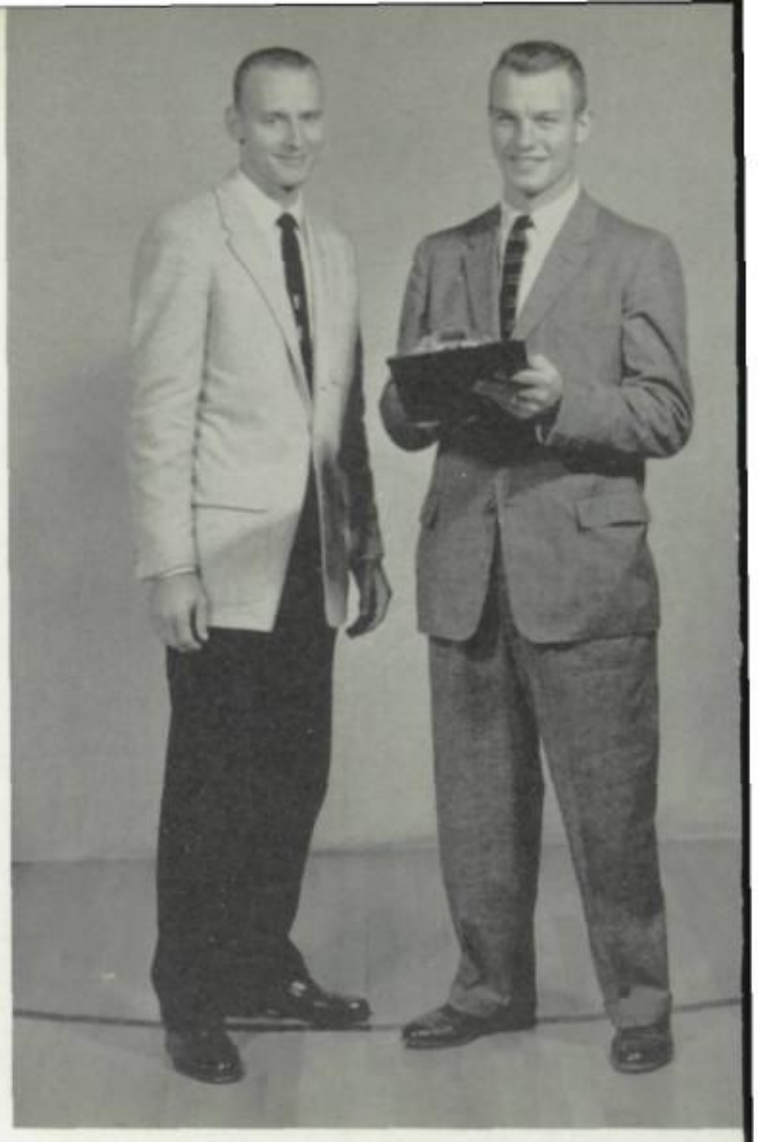
FOOTBALL SEASON FEATURES LONG PASSES



Oakwood, under the direction of a new coach, Mr. Hobick, who is an alumnus of Oakwood High School, finished the season with a fine record. They started off the season with a 13-0 win over Westville on the Oakwood football field. The Comets had possession of the ball most of the game, with Bob Denhart scoring both touchdowns.

Oakwood displayed a fine passing attack mixed with fine running to defeat Paxton 18-0. Roger Koontz scored on a pass from Bob Denhart; Dick Denhart on a pass from Steve Koontz; Steve Gritten when he fell on a fumble in the Paxton end zone.

On September 27, our Comets lost to Gibson City on their field. Although the boys fought valiently, the over-powering weight of their opponents told in the final score which was 47-0.

Our Homecoming Game was lost to Georgetown 21-14. Georgetown scored early in the first quarter, but Oakwood tied the score 7-7 at the first quarter. Georgetown recovered an Oakwood fumble at the start of the second half and went on to score. Georgetown scored once more and fought for a fourth-quarter rally for the victory.

Oakwood playing without the full team due to the flu was defeated by Unity 20-0. Unity scored twice in the first half and once in the last half for the win. Oakwood couldn't get a scoring drive under way after having one touchdown called back for a penalty.

The Oakwood Comets playing their best game of the season, turned back Rantoul in a hard-fought game, 19-7. Oakwood scored first on a pass to Steve Koontz, who scored his first of three touchdowns. Rantoul came back to go ahead 7-6. Oakwood scored on the kick-off to lead at the half. Oakwood scored an insurance touchdown late in the fourth quarter on a pass interception, after controlling the ball most of the second half.

Hoopeston defeated Oakwood in the Comet's final game 14-7. The game was played in the mud and rain. Hoopeston scored twice in the first half to lead 14-0. Oakwood came back to score once in the second half but were held back by the mud.

FRANK ESTOCK

As the only senior and returning letterman, Frank has been worth his weight in gold all year long. A very good ball handler, and the team's best defensive player, Frank was also second in scoring the most points. Frank's hustle, aggressiveness, and desire to win was the reason he was elected captain by his teammates.

GERALD BARNES

In his junior year, after a slow start, has proven to be a big asset to the team. He has been the team's second leading rebounder and fourth in sooring.

WALTER GRIMES

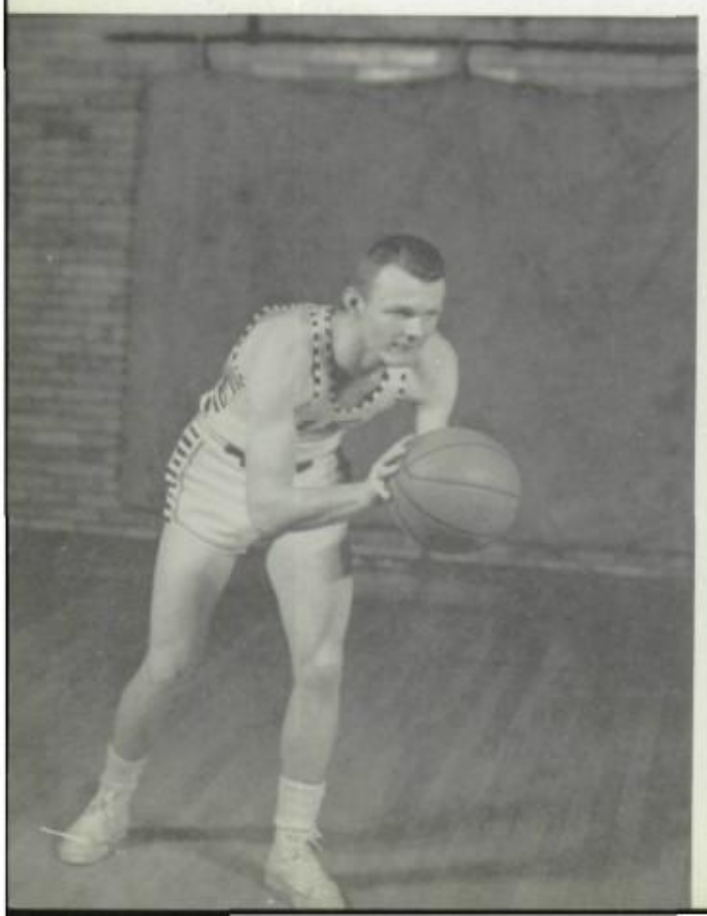
As a junior, Walt has shown more improvement than any member of the squad. His drive, hustle, and desire to do his very best, have made him a valuable member of the squad.

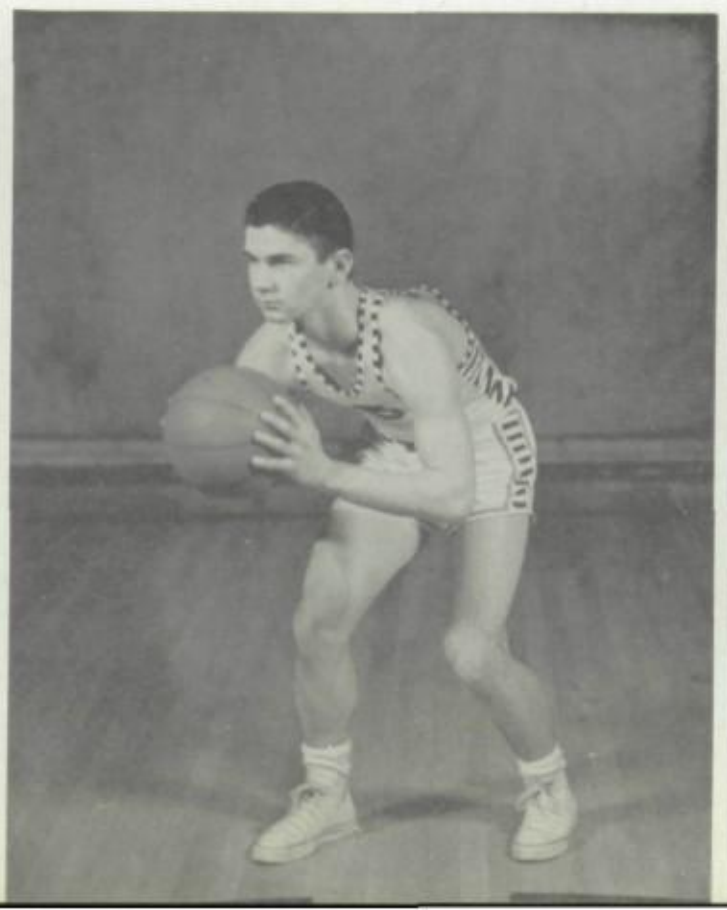
LARRY GRIMES

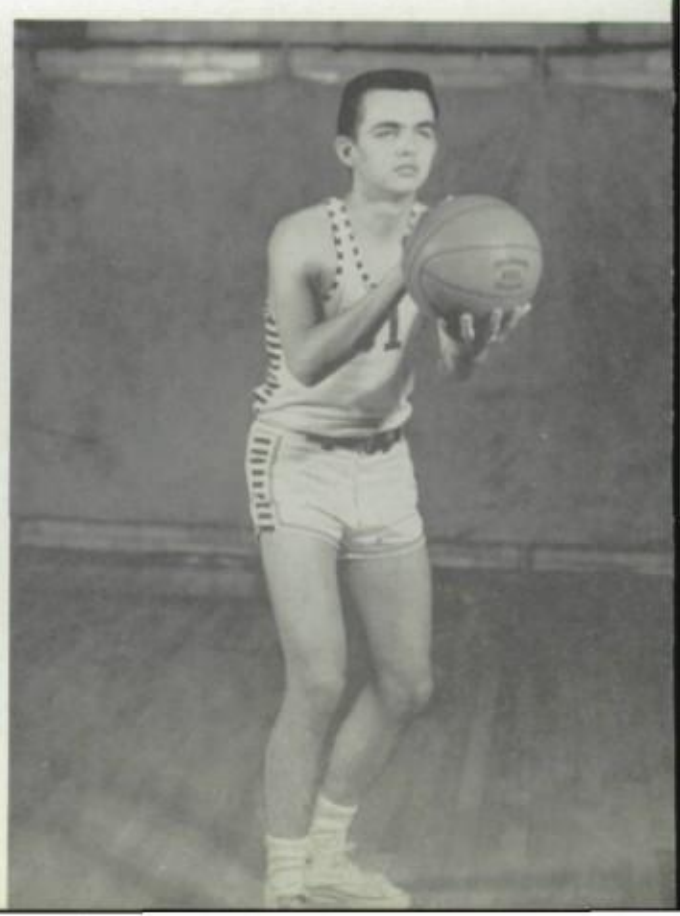
The most aggressive player on the squad as a junior, Larry has the hustle and desire that makes a good ball player. He will be looking forward to carrying a big load next year.

LANCE GIRTON

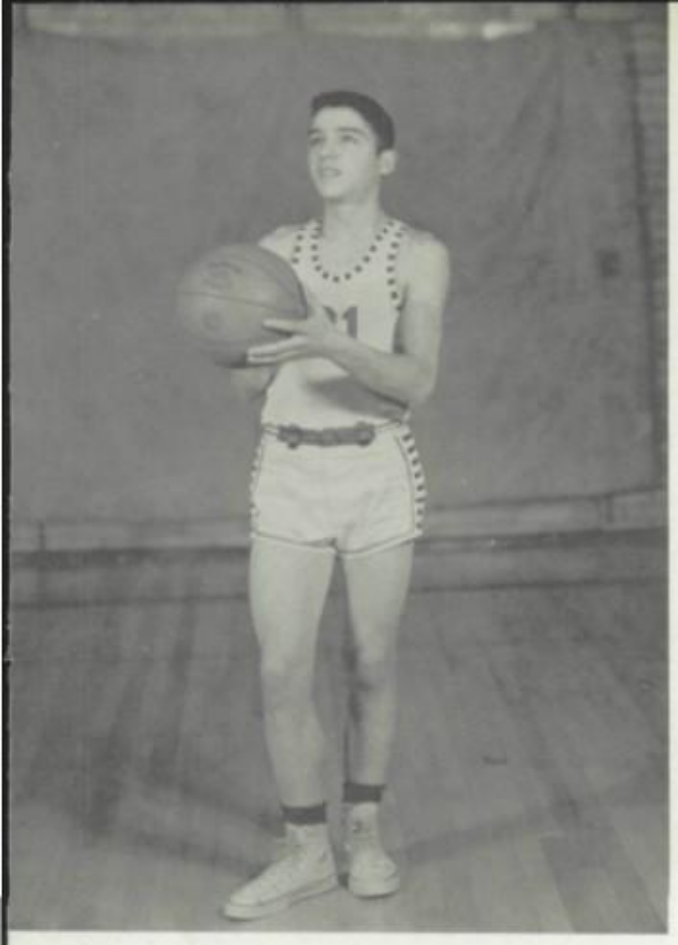
Another sophomore, Lance has earned his place on the team with his ability to shoot and rebound. Now with experience Lance will be looking forward to a good season next year.





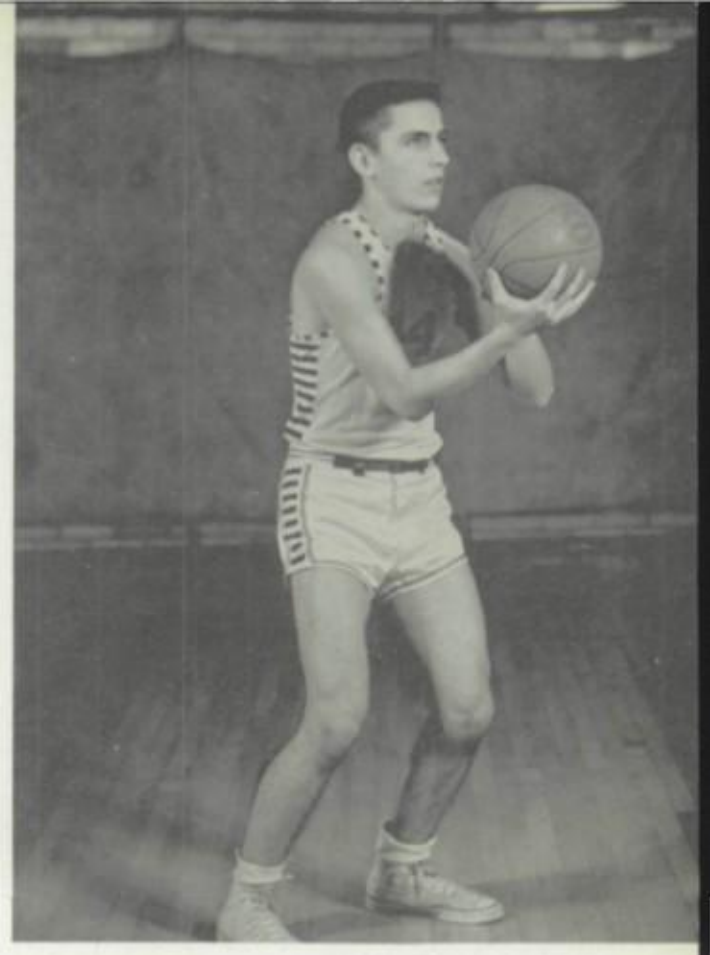


Varsity Basketball



CLIFFORD PEAK

Cliff has shown the hustle, and drive that easily make up for his lack of height. A very good ball handler and team player, Cliff will be looking forward to an even better season next year as a senior.



TOM FLETCHER

As a sophomore, Tom has headed the team in scoring and also proved to be the third best rebounder. A good shot, with a lot of natural ability, Tom will be looking forward to a better season next year.

BOB BLOCK

After coming up from the "Junior Varsity" squad Bob's ability to hit the basket and his desire to win has made him one of the team's most valuable players even in his sophomore year.

MARVIN SAATHOFF

As a sophomore, Marvin has shown an ability to really hit the basket. Although lacking in experience, Marvin can always be counted for to do his very best and a good job.

ALLEN STRINGFELLOW

One of the most valuable players on the squad, Allen was third in scoring and the team's leading rebounder. He also has been the team's best free throw shooter. Allen as a junior is the kind of an athlete any coach is proud to have.
